

SafeHaven Humane Society

Community Event Guidelines

Thank you for inviting us to your event! We love to support our community as they have so generously supported us! Please complete and submit an online request. Your event/promotion should be compatible with our mission and promote the appropriate image of SafeHaven Humane Society.

Please keep in mind... Our team will try to accommodate special requests for community events but we try to minimize our expenses and focus on our mission of caring for pets in need to honor the generosity of donors.

ANIMALS FOR YOUR EVENT:

We receive a great number of these kinds of requests. We will strive to fulfill your request but being able to do so is due to a number of factors:

- Our number one priority is finding homes for our adoptable animals. We have a large shelter and have found over time that bringing animals to events does not generally help them find homes faster. In fact, taking them out of the shelter means they won't be available that day for visitors at our shelter.
- There are expenses associated with bringing pets such as paying for staff time and transportation. As a nonprofit, we have a responsibility to be good stewards of the donation dollars we receive.

Here are some things to keep in mind when requesting pets at your event:

- The safety of the animals is always our number one priority. We always take into consideration the location/environment of the event, weather if outdoors, length of event, and any other factors that could cause physical or emotional stress.
- Animals are temperament tested and updated on their vaccinations prior to being brought to events.
- We designate the number of animals we take out to events based upon the space available for the animals, availability of pets that would be okay at the event (temperament and health), and the availability of volunteers/staff that are specifically trained to handle shelter pets safely at events.
- We cannot guarantee puppies for your event.

I have read and agree to follow the Community Events Guidelines. Information provided on this form is correct and accurately describes the event/promotion.
