

PhotoPaws at SafeHaven Humane Society

Client Agreement

All dogs must be current on vaccinations of DHPPV, Bordetella and Rabies. Puppies must be current on all vaccines except the Rabies vaccine, as it is not administered until a certain age.

All cats must be current on vaccinations of FVRCP and Rabies. Kittens must be current on all vaccines except the Rabies vaccine, as it is not administered until a certain age.

The photo session is limited to one or two pets and costs \$50.00 which is to be paid prior to the start of the session at the shelter. Cash, Visa or MasterCard are accepted for payment. The session will last approximately 40 minutes. Several different backdrops will be available to choose from. The photo session fee entitles the client to one high resolution photo file of their choice. Additional high resolution files are available for an additional \$10.00 each.

Pets should be groomed and free from parasites and/or other communicable diseases. A tired dog is usually easier to work with in a confined studio area.

SafeHaven Humane Society reserves the right to refuse service to anyone.

Lastly I understand that SafeHaven is a drug, tobacco and alcohol free zone. Failure to adhere to these rules with result in dismissal from SafeHaven's premises.
