

Howdy Partner! Gunnar, here.

I reckon y'all are gettin' real excited to start biddin' on some great items and help all my four legged friends here at SafeHaven.

Q: Gunnar, how can I look at the auction items during Preview Week?

G: Easy! Click on this link with your computer or phone: www.safehavenhumane.org/roundup/
Then y'all want to scroll down to "**VIEW AUCTION WEBSITE**". Click that link and it will take you SafeHaven's Rescue Roundup from the Homestead auction site.

Q: Gunnar, how do I register for Rescue Roundup?

G: Oh goodness me, click on that there white button on the top right corner of the auction website screen that says "**START BIDDING**". If y'all are on your phone, it will be a white button that says "**START**". From there you will be taken to the Greater Giving registration page. I assure you, it is secure and safe... just like a jar of my momma's prized canned peaches. If you don't have an account with greater giving, y'all want to click "Create Account".

Q: What does creating an account look like?

G: First you type in the email account that you would like to use, hope y'all like typing, because darn tootin' they wanna make sure you got it right and will ask again. After that, Greater Giving wants to double make sure your account is safe and that you ain't a robot, you'll have to play a quick picture game with them. After that, a confirmation email will be sent to you. Click on that to finish your registration! You will receive a text from Greater Giving, as well as an email. It will include your personal link that automatically logs you in when clicked on. When you click on that link, it will take you to the auction site! Welcome Partner! Y'all saddled up!

Q: Gunnar, I'm a little worried that I have to put in my credit card information.

G: I don't blame you, there is a reason I like to bury my bones. If I could leave the location of my bone with Greater Giving, I would! Avoiding fraud and keeping our donors' information secure is a high priority for Greater Giving. Greater Giving has a wealth of experience in helping nonprofits keep credit card transactions secure. Oh shoot, where's my bone again?

Q: When can I start bidding Gunnar?

G: I reckon y'all real excited! Biddin' starts this here coming Friday, October 9th. You can bid until the cows come home on **October 17th at 10:00pm.**

Q: Wow, Gunnar, you know so much! What else do I need to know?

G: I'm not just a pretty face! When you visit the auction site, on that far left corner there is a gavel icon that says "LEARN TO BID". That there is plum full of tips and help for y'all! It won't be as cute as me, but I reckon it'll get the job done.

Q: If I can't reach you Gunnar to answer questions about online bidding, is there somewhere quick I can go for some tips?

G: Oh yes! On SafeHaven's website: <https://safehavenhumane.org/roundup/> there is a link to a little ol' pdf that has more Q&A's and it's called "Learn more about how to register and bid online here". Darn tootin' helpful! You can also email my fellow wrangler, Steph at steph@safehavenhumane.com

Q: Gunnar, you are so adorable and helpful...are you available for adoption?

G: Well, I'll be! I have a forever family, but you can go to SafeHaven's website and take a gander at my friends that are lookin' for a darn tootin' real good family:
